Remember to bring tooth brushes, tooth paste, shampoo, soap and diapers for the battered women's shelter. They also appreciate crayons and other activities. Jan will make a run with what we collect every other week! Thanks Jan! Jan wanted to say thank you to everyone that has brought in items for these women that need help during a very difficult time in their lived. Giving a little something makes their lives a little better. If you travel, remember to bring in the soaps and shampoos that you don't use in your room – you paid for them- let them help one of these young mothers!

Our meeting on May 1st was very informational driven.

First, Assistant Secretary Robyn received and sadly shared the following email from one of our honorary members Bob Moats dated May 1st:

Robyn ,

If you are going to Rotary today, we have decided to inform the Club members of the problem which has caused my recent absence. Will you announce the following: (I really don't think I am this important, but.....) read the following please for my family members who have suggested it.

"Bob has an unusual form of cancer, called "Hairy Cell Leukemia" It is called "Hairy" because the cancer cells have a protrusion of tentacles which look like hair. It is the cause of his recent bout of pneumonia, a worsening of his balance, weakness and other visible problems. The cancer is treatable and doctors are studying what should be done to combat this unusual type of leukemia. Bob is out of the hospital, at home and in good spirits. He looks forward to getting back to our the meetings"

Robyn, if you can't be at the meeting today, ask Bill Jones to read it If not, Dennis Combs might do it.

Thanks,

Bob

Next we heard an update from Bill about the Scholarships. Bill said that the counselors from each school were very helpful. There were 11 applications from VoTEc and 6 applications from Goldengate. In the beginning we had \$4K to present to students, however with the challenges from Bob Moats and Jan Waidelich we were able to raise an additional \$2K. THANKYOU EVERYONE THAT MET THE CHALLENGE! We were able to present two additional \$1000 scholarships to students. The Committee consisted of Larry, Shirley, Jan, Tom, Harris and Rabi Foster.

Each student will receive a beautiful Certificate of Appreciation and 3 students from each school will be presented with a \$1000 in scholarship money. The money will be put into an account in each student's name so that they can easily use the money for school related expenses.

Bill said now that the committee has gone through the process; it will be easier next year. There is money in the foundation that was set aside specifically for Scholarships and the families of the donors are being contacted to see if we can utilize the \$\$ instead of just the interest.

Tom will be presenting Scholarships to our Winners on May 7th at Goldengate High School.

Bill will be presenting Scholarships to VoTEc – it won't be a formal engagement, each student will receive their scholarships during the day between classes.

After the scholarship information President Elect Dee Dee Fuller led a discussion regarding a revision of our By-Laws that will allow our club and our Foundation to move quicker that they currently do. There was a lot of discussion and Dee Dee is going to pull together her ideas and share them in the near future.
