News from the North!

I just received a note from Shirly Gofrank!

“thought you might like to see the summer picture of the Rochester Rotary Club we took today. We are District 6380 and have a contingent going to the convention in Toronto. I miss all of you in Naples Bay!  
Have a save and happy summer .”

June 12, 2018 Virginia Barausky from Lincoln Life Insurance came and spoke to us about Long Term Care Insurance. This was a very informative speaker with information that is very relevant to all of our members.

A survey of those approaching or in retirement revealed that their primary financial issues are:

- Healthcare expenses
- Adequate savings to live comfortably
- Costs associated with nursing home or adult day care\*

Did you know?

Now that people are living longer, many individuals have seen relatives, loved ones or friends face expenses they may not have prepared for.

In fact, 46% of Americans surveyed said they or someone close to them had a personal experience of needing nursing home care.

- One in every two individuals turning age 65 today will need the coverage of a long-term care solution during their lifetime.

- Long-term Care is the need for assistance or supervision with the activities of daily living.
  - Eating
  - Bathing
  - Dressing
  - Toileting
  - Transferring
  - Continence

If you lose your ability to independently perform at least two activities of daily living for at least 90 days or require substantial supervision due to a severe cognitive impairment, long-term care protection may help you cover the costs.

## KNOW THE COSTS

Many people think they've saved sufficiently for long-term care costs, but in reality, they may not be prepared.

- \$99,736 is the national average annual cost for a private room in a skilled nursing facility.
- \$52,591 is the national average annual cost of a private, one-bedroom unit in an assisted living facility.
- \$22.14 is the national average hourly rate for a certified home health aide provided by a home healthcare agency.

Here are some options:

- Medicare
- Medicaid
- Family
- Traditional long-term care insurance
- Hybrid life/long-term care insurance. Policies will not be allowed if you are over 80 YRS OLD that the average person needs long-term is 80 or over.
