Club Shirts – Ruth is organizing the purchase of Rotary Shirts for our club. We will be ordering from Naples Team Sports off Taylor Street. We had a few of the shirts at our meeting on 7/10/18 so that we could see them and order the proper size. Sizes S-XL cost \$28. Add\$2 for each X so XXL would be \$30 etc. you can either pay Ruthie in cash or call Beth and give her your size and credit card. Her number is 593-9374. We ask that all poll workers wear their Rotary shirts as well as those attending the District Training on August 18. Thank You Ruth for taking on this project for us! The great news is that no one in the club will have to be in charge or ordering and taking care of payment as Naples Team Sports has agreed to take orders over the phone and allow us to make payment using a credit card! This will make it easy for all of us to get our shirts without worrying about tracking payment!

#### SMILE AMAZON

If you are an amazon user, remember to use the <https://smile.amazon.com/ch/27-3350623> site The Amazon Smile Foundation will donate 0.5% of the purchase price from your eligible Amazon Smile purchases which will go directly to our club's foundation!! Funds are accumulated quarterly and transferred to our bank account directly.

Remember to bring tooth brushes, tooth paste, shampoo, soap and diapers for the battered women's shelter. They also appreciate crayons and other activities. Jan will make a run with what we collect every other week! Thanks Jan! Jan wanted to say thank you to everyone that has brought in items for these women that need help during a very difficult time in their lives. Giving a little something makes their lives a little better. If you travel, remember to bring in the soaps and shampoos that you don't use in your room – you paid for them- let them help one of these young mothers!

IF YOU HAVE DONE ANY VOLUNTEERING – RECORD YOUR HOURS WHEN YOU CHECK INTO OUR MEETING.

Once a class is full, we simply cannot take any more reservations for that class.

Exchange Students – Rotary Club of Naples has a boy coming in from Brazil. They have a home for the first three months, but they are looking for subsequent host families. Would anyone like to sign on for a rewarding experience hosting this student? He will be going to Lely High School, so we want to make sure he has transportation. Please contact any club director if you are interested.

The Wheelchair Foundation – The Rotary Club of Naples has decided to ramp up its efforts this year to raise money to purchase wheelchairs for the Wheelchair Foundation.

A long-time member of the Rotary Club of Naples, Dr. Phil Regala, an orthopedic surgeon, travels to Haiti once or twice a year on a medical mission. As a surgeon who tries to repair broken bones, he knows first-hand the need for wheelchairs throughout Haiti. He personally committed \$1,000 toward a container of wheelchairs (110) and The Rotary Club of Naples committed an additional \$2,000. We need to raise another \$8,000 for a total of \$11,000 per container.

With the help of District Chair Steve Agius, the Rotary Club of Naples is holding a fun social and fundraising event for Rotarians and their friends. In addition to raising money to ship a container of wheelchairs to Haiti, we may even interest others in the community to learn more about Rotary and how to become a member. This is a Collier County-wide Rotary event from 5:30 – 7:30 p.m. on Thursday, September 20, at the Naples Beach Hotel & Golf Club. This social event will include a short program by Steve Agius and then he will do a cash call. The Rotary Club of Naples Bay has committed to partner in this event, and Tim Miller is working to collect funds for this worthy cause. Our Club will receive recognition in promotional flyers and pre- and post-event press releases and social media. Please promote the event and register and pay online to attend.

During our meeting on August 7<sup>th</sup> we learned about the A,B C's of design from member Robyn DeZego. Robyn listed the ABC's as A – All that you want to do. Determine the scope of your project and figure out everything that you would like to do. B – Be Realistic, how much of what you want to do can you afford? Do you need to do part of the project now and then part of the project later? Combining A and B together you work toward... C- Complete your project. It's important to make sure that you have the right help in place. If you are going to be out of town during the project you should hire a project manager, many times this is your designer, to check in on your job and make sure that things are moving along smoothly.

There are many parts to design including use of color, light, scale and texture. It's also important to making sure that the fabrics and paint colors that you choose look good in the light of your home, not in a showroom.

Additionally, if you are making a large investment, make sure that you are working with someone that can produce a rendering of your choices in the room as shown below.

BEFORE

RENDERING:

A good designer will be someone that listens to what you want and can help you determine your style if you are not sure what it is. Designers are there to help you make your house a home, not make it something that you are uncomfortable being in.

A tip that Robyn provides couples that are building, or remodeling together is for one of them to create a HOUZZ account. For example, Mr. and Mrs. Smith are decorating their new home but have different ideas of what they want. Mrs. Smith can create a HOUZZ account and create folders for each room in the house filling the folders with photos of ideas of what she wants the kitchen to look like. When it's time to decide about how the room will look, Mr. Smith can look at the folder and choose something that he likes so both people are getting what they want.

Also, it's important to work with someone that you like. This can be a long process and you don't want to have to tolerate the person that is helping you on top of all the stress that decorating brings.

In the end, the goal is to create a place that YOU love to come home to. A place that feels like a haven from the outside world, not something that will appeal to the masses, but a place that will appeal to you.  
Welcome Home!
